The snow glows white on the moun-tain to-night, not a

foot-print to be seen. A king-dom of i-so-la-tion, And it looks like I'm the queen.

The wind is howl-ling like this swir-ling storm in-side.

Could-n't-keep it in, heav-en knows I've tried.
Don't let them in, don't let them see. Be the good girl you always have to be.

Conceal, don't feel, don't let them know. Well now they know.

Let it go, let it go. Can't hold it back any more.

Let it go, let it go. Turn away and slam the door.

I don't care what they're going to say.
Let the storm rage on. The cold never

both-ered me any- way. It's fun- ny how some dis-

tance makes ev- ry-thing seem small. And the fears that once con- trolled me can't

get to me at all. It's time to see what I can do,

..to test the lim- its and break through. No right, no wrong, no rules for me,
Here I stand and here I stay.

Let the storm rage on.

Let it go.

I am one with the wind and sky.

Let it go.

You'll never see me cry.

I'm free.

Let it go.
And I'll rise like the break of dawn.

Let it go, let it go. You'll never see me.

Here I stand in the light of day.

Let the storm rage on.

Freely

Slower

The cold never bothered me any way.
