MATH 401: Introduction to Analysis
Syllabus - Fall 2005

Instructor: Dr. Aissa Wade
Office: 317 McAllister Building
Phone: 865-7311
Email: wade@math.psu.edu
Office hours: Tuesdays 2:30 - 4:00PM and by appointment.

Prerequisite: Math 230 or Math 231.
Textbook: Mathematical Analysis by K.G. Binmore, 2nd edition
Class Meetings: MWF 11:15 -12:05
Calculator are not allowed on exams.

Homework:
Homework will be assigned each Wednesday and collected in class the following Wednesday. Homework should be neat and stapled. Correct answers without supported work will receive no credit. No late homework will be accepted. The two lowest homework grades will be dropped.

Quizzes: Approximately twice a month, there will be a short in-class quiz. The lowest quiz grade will be dropped.

Midterms: The two midterm exams will be given in class on Monday, October 17 and Friday, November 11.

Final exam: The final exam will be given during the week of Dec. 12-16, 2005.

Grading Policy: Grades will be assigned on the basis of 500 points distributed as follows:
200 points for homework and quizzes
100 points for each midterm exam
100 points for the final exam

Academic Integrity:
All Penn State policies regarding academic integrity apply to this course. Academic integrity is the pursuit of scholarly activity in an open, honest and responsible manner. Academic integrity is a basic guiding principle for all academic activity at The Pennsylvania State University, and all members of the University community are expected to act in accordance with this principle. Consistent with this expectation, the University’s Code of Conduct states that all students should act with personal integrity, respect other students’ dignity, rights and property, and help create and maintain an environment in which all can succeed through the fruits of their efforts. Academic sanctions range from a warning to removal from the academic program, and include deductions of points or alterations in grades.
See http://www.science.psu.edu/academic/Integrity/index.html for details.
