On the first day, God said "Celebrate the cult of SRK, or I shall throweth you into the Hell of SF1." And on the second day, God created Ryu, and He said to Ryu, "I made him so that thou shalt not kicketh too much ass." On the third day, God created Ken, and He said to Ryu, "I made him so that thou shalt not kicketh too much ass." And on the fourth day, God created the Nazi Meteor, the Salamander Lawyer, and whatever other threats are currently lurking out there.

Lol thanks for being spellcheck.
