On the first day, God said "Celebrate the cult of SRK, or I shall throw you into the hell of SP2." And on the second day, God created Ray, and told him, "You shall suckle ass." And on the third day, God created Kari, and he said to Ray, "I made him so that thou shalt not suckle too much ass."

gestured - "I'm not a forum head...I'm a forum angel."
Rorini - "How do you get a free trip to Japan?" - Kari cancel your manhood."
