The HR Futures Forum is an elite group of HR executives who hold sessions twice a year to help determine how to address trends and issues through the human resource strategic planning process.

HR Futures Forum

The HR Futures Forum operates on principles of organizational flexibility and self-management. This emphasis ensures group interaction and a sharp focus on issues of specific interest to member companies. For this reason, the Forum limits its membership to twenty-five companies representing a cross section of business and industry.

The Benson Hotel in the heart of downtown Portland, Oregon, provides a truly unique experience among even the most distinct Portland hotels. The venerable Benson Hotel, currently listed on the National Register of Historic Places, is a Portland landmark, and a timeless tribute to its founder and designer. Carefully nurtured for eight decades, the stately hotel retains the opulence for which it is world-famous. A.E. Doyle's architectural talent reflective of a golden era combined with Simon Benson's tenacity, business savvy and impeccable taste, live on as the foundation of The Benson Hotel, an American classic.

Some things never go out of style.
