Community Activities

Church

Acolyte: Altar boy. (Seven years)

Lector: (Two years)

The Episcopal Home: Volunteered time to work with the elderly, engaging them in discussions and activities.

Relay for Life: Every year in June, my Boy Scout troop supports the Relay for Life program by organizing the luminary memorial bags with candles and setting them up along the track where people will be walking. We then light them during a special service for those being honored as survivors, and ones lost.

Eagle Scout Project: My Eagle Scout project is dedicated to the rehabilitation and historical preservation of the historic Black Locust Grove Cemetery in Shippensburg, Pennsylvania. This project involves putting together an organization which will help reset the grave stones and then clean each stone with special a process that helps to preserve them. Last year I also helped with a fellow scout's project, restoring part of the Rails to Trails in our local area.

2007 Lake Heritage Regatta: Supported the Ski Club and provided assistance in the execution of the regatta as a volunteer and helped as a spotter for wake boarders during the ski show.
