OTHER CONFERENCE ACTIVITY:

General Consultant, International Seminar on Student Life, Geneva, Switzerland, December, 1973.

Discussant, International Political Science Association Conference on Biology and Politics, Paris, January, 1975.

Discussant, BIOS Researchers' Conference, Carbondale, IL, May, 1975.

Chair, Panel on "Social Science and Public Policy," Cheiron Conference, Washington, D. C., May, 1976.

Co-organizer (with James N. Schubert), Panel on Biopolitics and International Relations," International Studies Association meeting, Toronto, March, 1979.

Co-organizer (with Albert Somit) and Chair, Roundtable on "Biology, International Relations, and Comparative Politics: Directions of Future Research," International Studies Association meeting, Los Angeles, March, 1980.

Co-organizer (with Albert Somit), Panel on "Biology and Political Socialization," International Society of Political Psychology meeting, Boston, June, 1980.

Organizer, Panel on "Biology and International Studies," International Studies Association meeting, Philadelphia, March, 1981.

Organizer and Chair, Graduate Student Panel on "Biology and Politics." American Political Science Association meeting, New York, September, 1981.

Discussant, Western Political Science Association panel on "Neurobiology and Politics," San Diego, March, 1982.

Program Organizer, Association for Politics and the Life Sciences (Organized subfield of American Political Science Association), Denver, September, 1982 (responsible for six panels).

Organizer and Chair, Panel on "Research Methods and the Life Sciences," American Political Science Association meeting, Denver, September, 1982.

Commentator, Panel on "Perspectives from Neurobiology for the Study of Political Behavior," Northeastern Political Science Association meeting, Philadelphia, November, 1983.

Organizer, Panel on "Biology and Judicial Process," New York State Political Science

Association meeting, Albany, April, 1984.

Discussant, Panel on "Recent Contributions in Biopolitics," American Political Science Association meeting, Washington, D. C., September, 1984.

Organizer, two panels on "Teaching and Learning," New York State Political Science Association meeting, New York, April, 1985.

Discussant, Panel on "Teaching Biology and Politics," New York State Political Science Association meeting, New York, April, 1985.

Organizer, Three panels on "Teaching and Learning," New York State Political Science Association meeting, Albany, April, 1986.

Chair, Roundtable on "Computers and Teaching," New York State Political Science Association meeting, Albany, April, 1986.

Organizer, Two panels on "Public Administration," New York State Political Science Association meeting, New York, April, 1987.

Program Organizer, New York State Political Science Association, New York, April, 1987 (responsible for 30 panels).

Organizer, Panel on "Punctuated Equilibrium Theory and Social Science," Western Political Science Association meeting, San Francisco, March, 1988.

Organizer and Chair, Undergraduate paper panel, New York State Political Science Association, Albany, April, 1988.

Member, Program Committee, International Society of Political Psychology, Tel Aviv, Israel, June, 1989.
