

# PASS Beta Launched – Phase 1

PASS Technology Update Part III  
PASS Beta Test Launched – Phase 1

# PASS Beta Launched – Phase 1

*Review from previous NWOP meetings:*

- DCE/DFS support end of life in '08
- PASS will continue, we will replace DFS
- 5 year search yields GPFS
- Beta Test ready – We need *more* testers!

# PASS Beta Launched – Phase 1

What's new in Phase 1?

- Kerberized CIFS and NFS servers online
- Private home folder access
- New wiki and feedback forms for Beta Testers

# PASS Beta Launched – Phase 1

## Resources for Beta Testers

- Informational wiki:  
<https://wikispaces.psu.edu/display/PASS/PASS+Beta+Test>
- Discussion mailing list
- Jeff's Next PASS blog

# PASS Beta Launched – Phase 1
