  OR EMAIL FOR APPOINTS

Home work: Homework will be assigned weekly, and will normally be collected on Wednesdays, which covers lectures of the previous week (Monday-Friday). Each homework will be checked for completion for 3 points, and graded for selective problems for 2 points. Maximum grade for homework is 50 points. Late home work will NOT be accepted. In compensation, we will drop 2 lowest homework.

Quizzes: Quizzes will be given in class throughout the semester, date of quizzes will be announced in previous class. A quiz usually takes 10-15 minutes. Notes, books, cell phones, calculators or similar items are not allowed during quizzes. Quizzes will be graded, with 5 points each, for a max of 50 points in that category. There will be no make-up or conflict quizzes. In compensation, we will drop 2 lowest quizzes. If you have a valid reason, your quiz can be excused, and it will count into the 2 lowest quizzes unless you have more than 2 excuses. Attendance may be used to replace quiz occasionally.
