- Pennsylvania Breeding Bird Atlas Project (1986-1989)
- Pennsylvanians for Acid Rain Control (Executive Committee, 1987-1989)

Hobbies

In my spare time, I enjoy reading, beading, birding, and kayaking. I collect turkeys. Most stay in the attic until November 1, when I bring them downstairs to decorate for my favorite holiday, Thanksgiving. On December 1, I take all but a few back to the attic, and we decorate for Christmas. The hard part is deciding which ones to keep downstairs for the year.
