The Tenth Labor
The police have discovered a ____________ with three bodies that are joined together at the ____________. It owns a herd of ____________ that need to be scientifically tested. How will you capture the herd?

The Eleventh Labor
The cafeteria food is becoming increasingly gross. But, we've heard that a tree with golden ____________ hanging from it tastes delicious. Unfortunately, it's located in the faraway land of ____________. How will you get the food?

The Twelfth Labor
Mrs. Cover thinks you should experience first hand what the underworld is like. She would like you to travel there and bring back ____________. How will you attain that item and how will you get back to class with it? Remember, you can enter the underworld, but you can't exit the underworld!

Thur is a man eating "Stomach ear"! Like it!
That has been eating all of the Chinkos in China. So we are going to collect all the ear wax in the world. How? We are going to take some friends to help us collect the wax and then booby-trap the monster. After we trap him we are going to stuff him full of ear wax so he will die.
