The Tenth Labor
The police have discovered a __________ with three bodies that are joined together at the __________. It owns a herd of __________ that need to be scientifically tested. How will you capture the herd?

The Eleventh Labor
The cafeteria food is becoming increasingly gross. But, we've heard that a tree with golden __________ hanging from tastes delicious. Unfortunately, it's located in the faraway land of __________. How will you get the food?

The Twelfth Labor
Mrs. Cover thinks you should experience first hand what the underworld is like. She would like you to travel there and bring back __________. How will you attain that item and how will you get back to class with it? Remember, you can enter the underworld, but you can't exit the underworld!

We will destroy it by screaming so loud that it will cause an avalanche. All the snow will come tumbling down on the Yeti, causing it to die!!!

How will you prepare yourselves to fulfill this labor?
