SUMMARY

I am a Freshman at the Pennsylvania State University College of Engineering. My intended major is Architectural or Civil Engineering.

EXTRACURRICULARS

Clubs/Sports

- Chief Editor of the Sports and Theme and Feature Section on my high school's yearbook staff.
- Member of National Honor Society throughout high school
- Member of my high school's baseball team

COMPUTER/MANUFACTURING SKILLS

Manufacturing

- Through my technology education and manufacturing classes, I have received experience in different types of machinery, including 3-D printers. I learned most of this through my high school engineering class curriculum from Project Lead the Way.

Software

- I have experience in using CAD Software, Microsoft Excel, InDesign, Microsoft Word, and Microsoft PowerPoint.

WORK EXPERIENCE

- | | |
|-----------------|--|
| [2012-Present] | Landscaping <ul style="list-style-type: none">· I would maintain my customer's lawns in the area, and for those who wanted me to, I would remove snow from their driveways and sidewalks in the winter. |
|-----------------|--|

EDUCATION

- | | |
|----------------|---|
| [2011-2015] | High School Diploma, <i>Easton Area High School</i> |
| [2015-Present] | Bachelor's Degree, <i>Pennsylvania State University</i> |
