Phone number: (787) 692 6060

Address: 218 Ritner Hall, University Park

About Me:

I'm a first year student with an intended Mechanical Engineering Major. I'm from Guaynabo Puerto Rico. I'm fluent in Spanish is my first language. I enjoy playing soccer, volleyball, going out, and spending time with my family. I'm looking forward to learning about engineering and the different tools necessary to become one. I have many ideas and have been writing these down ever since I was little. I plan on getting my Bachelor's Degree and pursuing further education and hopefully ideas into a reality.
