Objective

I strive to obtain an internship position dealing with my intended major of Computer Engineering.

Education

Penn State Erie, The Behrend College
Computer Engineering

Expected Graduation: May 2012
Overall GPA: 3.2

Berkshire High School
Burton, OH

Graduated: June 2007

Computer Skills

Software: Xilinx, Microsoft Word, Excel, PowerPoint, Visual Studio
Languages: C++

Experience

Adam Masonry

Summer 2008

- Required strong communication skills and the ability to follow directions. This job was very task-oriented and I was able to learn quickly and adjusted to each job.

Activities

Miami Club Softball

August 2007 -May 2008

Penn State Behrend Varsity Softball

August 2008 – Present

Traveling Softball

Summer 2006-2008

Community Service:

Habitat for Humanity

October 2008

- Helped build a house for someone in need. I had to complete multiple tasks assigned to me. I worked alone as well as with others. This involved good communication and teamwork skills from everyone.

Youth Softball Clinics

- Coached youth softball players. Taught them the skills needed to further their softball careers while keeping them motivated to learn more.

Honors/Awards

Scholar Athlete Award

2006-2007
