102 Simmons Hall, University Park, PA,  
16802

To obtain a job on-campus for Fall 2015, which provides me with a learning experience.

---

**The Pennsylvania State University**  
B.S. in Mechanical Engineering

—2019

## **Co-Founder**

January 2014—July 2015

Phonofriend crisis helpline

Phonofriend is a crisis helpline - one of its kind. I was responsible for recruiting volunteers, enforcing helpline's protocols, marketing and promoting the helpline through various mediums.

## **Intern**

January 2013—November 2013

GR Infra projects ltd

Gained experience on Hydra Crane vehicle; attended workshops organised by the company for interns on Engineering Hands On. Assisted in assembly of vehicle parts, mechanical testing, and simulation.
