120 Warren St. New York, NY 10007

Worked as a camp counselor for 2nd and 3rd graders.

Volunteering Experience

PS 151 Yorkville Community School (2013-2015)
421 East 88th St. New York, NY 10128

Once a week prior to school, I volunteered as a teacher's assistant at a nearby elementary school. I worked in a second grade class helping students with their school projects, reading and spelling.

Service Experience

Canstruction Team Captain (2014)

This club, limited to high school seniors, is a NYC-wide charity competition where we build a structure out of food cans that are later donated to a food bank. I was appointed leader of the only high school represented in this even, competing against major engineering and architecture firms. As a team we designed, raised funds, purchased materials, and finally engineered and build a structure out of thousands of cans.
