Career Objective: My goal is to have a job in a company where I can maintain the company's legacy while developing new ideas.

Career Profile

1. Selected into the Spanish National Honor Society in my junior and senior years of high school.
2. Started a rugby team in my high school and was selected captain.
3. I am especially good at working with people, I have a great capability being social and working very efficiently in teams.
4. I best subject throughout my years in school has always been math, but I am also very capable in other subjects.

Experience and Practice

1. The Terre Company
Clifton, NJ
Summers from 2006 – present
Hard goods Receptionist/ Nursery Laborer
There are two sections of this company, a family business. First, there is the nursery where I would help customers with the plants they bought and worked on maintaining all of the plants. On some days, I would work with the hard goods section which sold fertilizer and other similar products and I would basically be the cashier.
2. Delbarton School
Morristown, NJ
Summers 2007-2009
Sports Camp Counselor
Basically, I coached middle-school age boys in Wrestling and Soccer sport camps.

Education Information

Delbarton School, High School Diploma
Pennsylvania State University, University Park
