house

Interior View 2:
Bedrooms

Views 1 and 2 reveal the interior view of the house. The Haubach house includes two standard size bedrooms, two full baths, one master bedroom, and one master bath, which includes a jacuzzi bath and a double sink. There is a large living space area, which includes a secluded area by the fireplace and another separate area with a sectional couch to watch TV. The Haubach house also includes an eat-in kitchen with innovative appliances, along with a formal dining room. The house includes many paintings, wall art, and eye appealing color schemes.

View 3: Front Exterior View

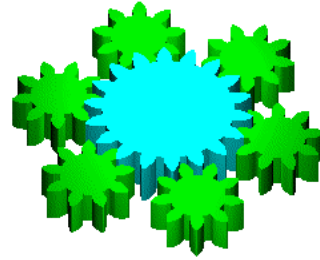

View 4: Back Exterior View

View 3 reveals the front view of the Haubach house design. The house includes a brick façade, with a double, wooden front door. The house has a large driveway, with a stone pathway leading up to the front door. The front lawn includes four lilac bushes, two oak trees, and bushes that wrap around the side to the back of the house. View 4 reveals the backyard of the Haubach house. There is a stone patio that includes an eating area, a large grill, a sunbathing area, and leads straight to the pool. There is a pathway that leads to the hot tub area and another that leads to a little bench which is underneath two peach trees. The backyard is a great space for entertaining and allows a lot of space for activities.
