Directions: Here is the beginning of a new survey. This survey is about you and your interests at school.

What I like most about school is

I like mathsience, its my favorite thing to do but we barely did it this year

What I like least about school is

i dont like writingmath... i hate math...

I'm really good at

math reading, but not my reading logs...

My favorite subject in school is

gmysocial studies

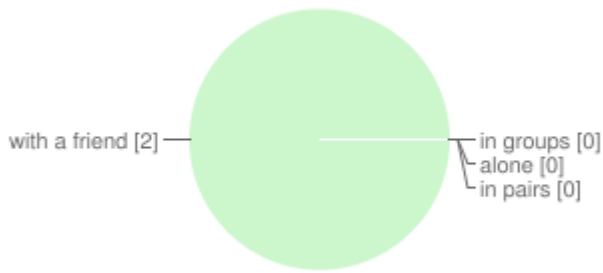

I need extra help with

writingMATH!!!!!!!!!!!!!!!!!!!!!!

In school, I wish I could choose to

getgood at writinghave alot of reading time

I prefer to work

in groups	0 0%
alone	0 0%
in pairs	0 0%
with a friend	2 100%

In school, I help others when

don't get something they're in need of help.

When I have a problem with a difficult subject/class in school, I

ask the teacher to get my teacher's attention.

Is there anything else you would like to tell me about school?

It's kinda fun

Your first name

Isiah Freddy
