

**These examples are depictions of the skills I learned while in Engineering Design 100 during my second semester. I chose an old model of an Olympic barbell bench. I decided on this object because it is one component of the three aspects I try to perfect. Through a mental perspective I would like to incorporate my education with my physical well being. Ironically, I designed this bench while I was physically incapable of using it due to a broken hand.**

NOTIFY AND CONSULT  
THE ARCHITECT IMMEDIATELY IN THE  
DRAWING AND SPECIFICATION OF  
THE CONTRACTOR'S NAME, ADDRESS,  
AND PHONE NUMBER, AND THE
