Penn State Erie, The Behrend College

May 2017

Bachelor of Science in Management Information Systems (System Analysis)

Minor in Operations & Supply Chain Management

ITC Project Intern, Seaway Window

Sep 2015 - Present

- Create a web based cloud program that is customizable to every Seaway Window retail location
- Integrate security and give Seaway jurisdiction over which locations have a level of access
- Worked with production managers to learn the current system and data, then created methods to enhance its overall design, such as eliminating repetitive data entry requirements

Internship Experience:

Website Developer, Better Body Image Inc.

Jan 2012 – Aug 2015

- Collaborated with Highmark and UPMC during beta testing of BBI Android/iPhone Application
- Troubleshoot problems with the website to efficiently solve any issues
- Worked with company while obtaining patent for image morphing application
- Original member of 3 person team that now has over 15 team members
- Attended weekly business calls contributing direction and progress on current website goals

Relevant Coursework:

Individual System Analysis Project

- Recommended changes in the laundry machine system used by Penn State Behrend to automatically alert students via phone and email when laundry is done
- Generated UI mock-ups, storyboards, and flowcharts to showcase the new systems potential

Leadership/Teamwork Experience:

Eagle Scout Project

July 2013

- Created, developed, and implemented Sisters of St. Francis safety and restoration project
- Managed all financials for project including estimating and purchasing of materials
- Directed volunteers during fundraising and construction phases
- Elected Senior Patrol Leader to guide troop and act as liaison with adult leaders and other organizations.

Technical Skills:

Access, SQL, Word, Power Point, Oracle, One Note, SharePoint, C++ , Tableau, Excel, JavaScript, Visual Basic, HTML, WordPress, Linux, Android, IOS, Mac OS, and Windows

Community Service:

Behrend Benefiting THON Technology Chairmen
