### Relevant (Current) Courses

Organic Chemistry      Multivariable Calculus  
Engineering Design      Mechanical Physics

**EXPERIENCE:** Pizza Hut      Harleysville, PA      June 2011 to present  
*Team Member*

- Learned my job quickly in order to take over for another team member who was going off for college.
- Watched and asked others how to do their jobs in order to help them on busy days or when they needed me to cover their shift for them.
- Trained new team members at my job before I went off to college.

SAVE camps      Souderton, PA      June 2009 to August 2012  
*Head Councilor and Volunteer*

- Applied to be a head councilor my senior year of high school and got the job.
- Searched the internet and thought of crafts, games, and lessons to teach the children about the environment.
- Learned more about the environment while trying to teach the children.
- Enjoyed working with children.
