

Piano CAD Project

I made a piano as my personal CAD project, and the following are pictures of the actual project.

Left view

A black silhouette of a grand piano and a matching bench, set against a light blue gradient background. The piano is shown from a side profile, featuring a large, curved lid and a rectangular body. The bench is positioned to the left of the piano, consisting of a flat top and two legs. The entire image is rendered in a minimalist, high-contrast style.
