Achievements and Skills

Computer Skills: Linux, Microsoft, PowerPoint, Excel, Access, E-views, Windows, Apple product

Colfe's Combined Cadet Force – Royal Air Force Squadron

Orienteering training – Lead expeditions using a compass and a map allowing the full demonstration of skills and abilities through mountainous cross country terrain.

First Aid Training – Completed basic first aid training and advanced training with my military unit under the direction of Major Chris Cherry

Military Assault drill training – Lead different forms of

BTEC Diploma – A diploma in public service achieved through the cadet force. It is the equivalent of four GCSE's at grades C-A*. Majority of the training takes place on the Monday night parades as well as during the holidays at overseas bases and bases within our own borders in the UK.

Duke Of Edinburgh – An award achieved with the assistance of the Combined Cadet Force, which is split into sections and completed over a period of time allocated for the level award. During this time you prepare for a final expedition that, depending on the level of the award, can extend to four days. I achieved all three levels in my time with the CCF, Bronze (4 sections), silver (4 sections) and gold (5 sections).

Colfe's Senior School

Leadership Award - Sports Leadership Award & Community Sport Leadership Award under the supervision of Nikki Rayes, I accomplished a sports program that offered an opportunity to lead sport groups and sports training.

Freshman Varsity Athlete - Freshman, coming into my freshman year at Senior School I was a 4 sport athlete competing for the Football, Rugby, Cricket and Tennis team.

Volunteer

St Joseph's Hospice, London, United Kingdom

2006 March – 2006 May
