# Hometown and Education

- ▣ I was born in Nashua, New Hampshire.
- ▣ When I was around three I moved to Downingtown and that is where I have been living since.
- ▣ I graduated High School from Downingtown West High School in June 2012.

# Fun Facts and Interests

- ▣ I played soccer in High School and hope to continue to play through college.
- ▣ I play the Trombone.
- ▣ I enjoy playing other sports such as badminton, tennis, ping pong, and many others for fun.
- ▣ During my Junior year of High School I had the opportunity to join the Marching Band and march in the Tournament of Roses Parade.

# Future in College

- ❑ In college I hope to earn a degree as an Aerospace Engineer.
- ❑ The ideas of Aerospace engineering really fascinate me. Whether it be the technology that is being worked on or the potential discovery of new technology in that area.
- ❑ The idea of space and the potentials of finding out new information seem endless to me.

# Looking Past College

- ▣ I hope to Graduate Penn State with a degree in Aerospace Engineering.
- ▣ After I hope to get a masters degree.
- ▣ As a job I hope to be working in my field of major with a company such as Boeing.
