Dear Mrs. Crank,

Over the past few months I have been receiving credit card applications in the mail from your company. I appreciate the opportunity to become one of your valued customers.

Recently I have been receiving an application about once a week. I am currently a college student and do not need more than one credit card. I am asking if you would please take my name off of your mailing list. I would not like to apply or receive any more credit card applications.

Once again, thank you for the opportunity to become one of your customers.

Sincerely yours,
