220 Hamilton Hall
State College, PA, 16802
(201)-675-5146

747 Wyckoff Ave
Wyckoff, NJ, 07481
(201)-891-8031

Objective: To obtain an internship in the field of Electrical Engineering, beginning in the summer of 2013 with a special interest in robotics.

Education: The Pennsylvania State University
BS in Electrical Engineering
GPA: 2.50
University Park, PA
expected May 2015

Relevant Courses:

Physics Calculus
Digital Electronics

Experience: Ozonia Leonia, NJ June 2011-Aug 2011
Research and Development

- Performed UVT analysis on UV lamps
- Set up and calibrated lab equipment
- Gathered data from tests and compiled it using Excel
- Monitored ongoing tests and experiments to ensure they were running smoothly

Skills: AutoCAD (3 years) Leadership Team-building Digital Electronics
Welding Woodshop Robotics

Activities: Member of High School Robotics Team 2007-2011
Team Captain 2011
Member of High School Fencing Team 2007-2011
Team Captain 2010-2011
Penn State Fencing Team 2011-present
Fencing SAAB Representative 2012-present
Penn State Mr. Student Athlete 2011-2012
