Web Space Creation and uploading

1. Go to <http://personal.psu.edu/>
2. Under Using Penn State Personal Web Space, select Apply for Web Space
3. Before taking the quiz, read the University policies and guidelines.
4. Take the quiz. 4/5 is the minimum amount of answer needed to pass to receive web space.
5. Once the quiz has been passed, please wait up to 48 hours for the webspace to be created.
You can check if it has been created by going to
<http://personal.psu.edu/YourUserNameHere/>
6. Once the webpage has been created, go to <https://explorer.pass.psu.edu> and login with your Penn State Account.
7. You should now be at the Penn State Pass Explorer page. Inside your user folder here, a folder called "www" should be located. Upload your created webpage to this folder for it to appear under the domain <http://personal.psu.edu/YourUserNameHere/>
