## Objective

To obtain an internship position in electrical engineering for freshman, beginning in summer 2012

## Education and Training

### Pennsylvania State University University Park

BS EST 2015

### Electrical Engineering

State College, Pa, United States

### Grade

GPA 3.40 / 4.00

### Relevant Courses

Computer Science

Engineering Design

Electrical Engineering Introduction

### The High School Affiliated to Renmin University of China

2011

High School Diploma

### A-Level Apartment

Beijing, China

GPA 3.86 / 4.00

TOEFL 96 SAT 1890

A-Level Math A; Physics A; Chemistry B+

## Experience

- Performed data collection and statistical analysis that resulted in concentration of metallic solids in natural water that were adopted by department.
