Special Interests

Piano

I began to study piano with a teacher at the age of seven, and I continue to play to this day. My favorite piece is Schubert's *Impromptu No. 3*.

Chess

After teaching myself the art and strategy of chess at the age of seven, I have immersed myself in the game ever since by going to tournaments and playing games on my free time.

Volunteer Service

- Volunteer at local library organizing various activities for children (2011)
