Objective

To begin my professional career with an internship where I can apply my educational interest in engineering and will utilize my leadership skills, creative talents, and work ethic. My goal is to join a dynamic and growth-oriented organization where I can make significant contributions while developing professionally and personally.

Education

Undergraduate: Pennsylvania State University

Major: B.S. Engineering

High School: Holy Ghost Preparatory School

Academic Honors: First Honors: (5 Semesters), National Honors Society: (11-12), Perfect Attendance: (9-12), AP Scholar with Honor

Work Experience

Philadelphia Turnpike, Intern, Norristown, Pennsylvania – June 2010-August 2010
