My mentor teacher asked me if I would like to try taking the reins for this week’s Earth Science class. I said it sounded fine to me. He and I worked out a plan for the week’s activities and progression and now we’ll see how well I can make it work. 224 is out of 214 and left down hall on left. 121 is out of 214 left down hall to end, right down that hall and down the stairs, out the stairs to the left and on your left; 137 is right out the same stairs and on your right.
