The Knights of Columbus in Frackville has been a very active organization. I recently attended a "take-out" in honor of Albert and Lorraine Gricoski who have been outstanding members of the Frackville Council for ten years, in recognition of their excellent work and service to our community. In our community, they have worked for the Frackville Booster Association and for several years have been recipients of the Mary Ann Lengyel Award, in recognition of their dedication and service to our community. The Frackville Boosters is an organization of which Albert and Lorraine are very proud and are active members.

The Knights of Columbus in Frackville has been very active in our community. We have held many social functions, where we have met many interesting people. We have also been very active in our community, and we have supported many local organizations, as well as many national organizations. We have been very active in our community, and we have been very proud of our work.

In the months that followed the death of Cardinal O'Connell, the Knights of Columbus in Frackville sponsored a special Mass Card to remember the late Cardinal. The Mass Card was presented to Cardinal O'Connell's family and to the Cardinal's former support groups.
