Concept Design Report

Background

This project is a requirement for the course of EDSGN 100 that involves in designing a modern house which includes the basic

Design Concept

Modern Hill House is a double story glass house located Charleston Township, Tioga County, Pennsylvania (near the Hill Creek State Park). It is located near the hill to maintain a cool environment within the house. The house is fully made out of glass to let the owner enjoy the scenery of the hill. This house is perfect for a family that want to experience the serenity and be away from the crowdedness of city.

Components of the Project

The house is equipped with:

<ul style="list-style-type: none">• 1 garage• 1 playground• 1 gazebo	<ul style="list-style-type: none">• Living room• Dining room• Kitchen• Laundry room	<ul style="list-style-type: none">• 3 bedrooms• 2 bathrooms
--	--	--
