

# A Colloquium on **TODAY** Environmental Initiatives at Penn State

Opportunity for all Penn Staters interested in the environment to meet, learn about environmental initiatives at Penn State, and share ideas.

- Find out how the University has become a national leader in greening its campuses.
- Learn about Penn State's Environmental Stewardship strategy, what the challenges are, and how you can help by acting locally to promote sustainable behavior.
- Discover the Penn State Institutes of the Environment and how it is creating new opportunities for faculty and students to pursue environmental research, education, and outreach.
- Question and answer session with Robert Kennedy Jr.

**TODAY 1:30 - 6:30 p.m.**  
**HUB-Robeson Auditorium**

**Keynote Speaker**  
**Robert Kennedy Jr.**  
**"Our Environmental Destiny"**
