

Summer 2006

# GEOPHYSICS FIELD EXPERIENCE IN SOUTH AFRICA

**June 5 - July 28**

An eight-week summer field course providing opportunities for physics, math, engineering and geoscience students to:

- Experience South Africa;
- Gain exposure to geophysics;
- Learn about career options in geophysics.

Eligible students must have completed their sophomore or junior year by summer 2006.

No prior background in geophysics is required.

AfricaArray is an initiative to promote geophysics education and research in Africa. The field course is in conjunction with The University of the Witwatersrand, Johannesburg, South Africa (<http://www.wits.ac.za/>).

**Cost: Free**

For details and application please see the AfricaArray website:
