Optimizing Healthcare Acquisition

What:
- Contracting
- Delivery
- Procurement

Time

Cost

How:
1. Benchmark Healthcare Projects
   - What is occurring with traditional methods?
2. Comparison to Integrated Methods

1 + 2 = Realistic comparison of benefits.

Who:
- Healthcare Owners
  - Collective Assessment, Adaptation & Knowledge Growth
  - Central and Independent Data and Research Repository
- Designers & Builders

Why:
- In a $40+ Billion Healthcare Construction Market...
  - 1° of Change
- ...small changes are the difference in ability to build entire hospitals and their respective patient care.
