He married (1) ANNA BARBARA QUIGLEY October 10, 1900. She was born May 21, 1858 in Carlisle, Cumberland County, Pa, and died August 22, 1908. He married (2) SARAH JANE GARNER December 23, 1908. She was born August 25, 1873 in North Ogden, Weber County, Utah, and died October 17, 1924.

Notes for JOHN JACOB HUTZLY:

K031 - John Jacob Hutzley

He was converted to the Church of Jesus Christ of Later Day Saints by Leander Harris, who had come to Pennsylvania on a Mission. He moved to Harrisville, Utah in May of 1900. It is about 10 miles from Ogden. He bought a small house and a little land and did some farming. In October of that year he married Barbara Ann Quigley, who was originally from Pennsylvania, so it is very likely he had known her there, and asked her to join him.

After Barbara Ann died, he married Sarah Garner, and had 2 children with her. When a brick yard was established next to his Page 1 land, he went to work there as well.

About 1922, he fell from a scaffold, broke his leg and injured his head, which affected him later in his life. Up to that time he had been very ambitious and had kept meticulous records of the family. He missed them a great deal.

Notes for CURTIS "CURT" WENDELL HUTZLEY:  
L007 - Curt Hutzley

Curt met Marian Rose (L058) in 1938. You can read the rest of their story in her section.

Curt spent 25 years active duty in the Armed Services, managing to check out all four of them, and finally retired with the rank of Master Sergeant. After that, he put in 5 more years of Reserve Duty.

He died at the age of 64 of cancer. There was an egg-sized lump on his aorta.

Notes for MARIAN ELINOR ROSE:  
L058 - Marian Rose

Marian was introduced to Curt Hutzley (L007) on Armistice Day 1938 by her girl friend Rita Balzer. They were starting up 7th Avenue to go uptown, and met "Hutz" who was heading back to his room at the YMCA. Marian thought him a bit on the rough side, but very likeable.

When they started dating, she found him to be very interesting, since he had been most everywhere, had a good sense of humor, and made all the other fellows she had dated look like first class whimps, and (to quote Marian) Hutz was a man! He always reminded her of a young eagle.

They got engaged on Thanksgiving Day 1939, and were married 13 July 1940. That was a delay of about a month from their original plan, but he hadn't saved all of the \$300 they figured they needed to get started. Curt was not a very good manager of money, it seems, but by 13 July he had paid all of his bills, and had \$100 to put down on a house, \$100 for furniture, and \$100 for the honeymoon at Geneva-on-the-Lake.

Their first house was 100 years old, and they paid \$1000 for it. The \$900 was borrowed from Marian's father @ 3% interest. By the time Curt and Marian finished with the house, it looked like a little doll house.

She remembers that her grandmother Rosanna Farrows (J045) always said that the Parsons (her husband's family) were direct descendants of Sir William Wallace. He was a Scottish hero, and a monument to his memory was erected after the Battle of Sterling Ridge. He was a native of Elderslie, near Pauley, and was knighted by the Queen of England.

Marian loves dancing, going to plays, listening to music, reading, and likes most people. Since 1978 she has kept herself busy as Tour Director of her AARP Chapter # 2083. She arranges the day trips, and usually schedules two long ones per year. That way she has travelled to most of the US States, Canada, Mexico, Holland, France, Germany, Monaco, Austria, Switzerland, England, Ireland, Scotland, Wales, New Zealand, Australia, Hongkong, Singapore, Taiwan, Hawaii, St. Thomas, St. Martin, Nassau, Bermuda, Columbia, and Puerto Rico. She was particularly interested in her trip through the Panama Canal, since her father-in-law Gottfried Friedrich Hutzley (K003) had helped to build it.
