Objective:

- I would like to gain engineering experience through an internship. I am specifically interested in a job that will expose me to Bioengineering or Mechanical Engineering.

Education:

- Penn State Freshman majoring in Mechanical Engineering
- Haverford High School

Experience:

- Lifeguard at Marple Newtown Swim Club
- Math tutor for my neighbor

Activities:

- Captain and regional medal winner in Science Olympiad (High School)
- Member of the Penn State varsity swim team

Honors:

- Top 1 percent of high school graduating class
- Accepted into the Schreyer Honors College
- National Merit Finalist
