Objective: To obtain a Mechanical Engineering internship position, beginning summer 2014 to help train me on my path to becoming a professional engineer.

Education:	The Pennsylvania State University BS in Mechanical Engineering Minor: Spanish Cumulative GPA:	University Park, PA Emphasis: Expected: May 2017
-------------------	--	--

Experience:

- 1) Spring City Community Pool at Brown Street Park Spring City, PA 19475
Summers of 2010, 2011, 2012, 2013
Working as snack bar manager.
Obligations included full time running of the snack bar by myself.
- 2) Kumon of Royersford at 327 10th Avenue Suite #105 Royersford, PA 19468
Worked as a tutor and assistant to the children and acting manager.
- 3) EDSGN 100 (pre-engineering course) completion with experience in
SolidWorks, SketchUp, lab exercises, and basic knowledge of Engineering.

Skills:

- Work well under pressure.
- 5 full years in Spanish. I can speak the language very well.

Activities:

High power member of Pep Club Senior year high school 2012-2013 school year. For this position, I helped consult as well as help assist in the planning and activities of the club. I participated in the club for two years in high school. Co-captain of high school tennis team 2012-2013 school year. I was one of four guys who received the honor of helping conduct practices and help run the team smoothly. Another obligation was to mentor and help younger players. I played on the team for three years before.
