- Worked in patient care in the recovery room, where interactions and support for the patients was a necessity

Skills & Abilities

LEADERSHIP

- Liaison between my FRC Robotics team and the corporate sponsors including Boeing, Vulcan Springs, and Metal Edge
- Coordinator of crew practice and workout logistics while leading by example to the young team

MANAGEMENT

- My large academic course load and heavy involvement allowed for me to develop strong time management
- My position on the robotics team enabled me to organize and oversee all mechanical projects underway in the lab

Awards

CUM LAUDE SOCIETY

- Awarded to the top four members of the graduating class

1969 AWARD

- Awarded to the student who shows the most academic and intellectual promise

HONORS IN BOTH ENGINEERING AND MUSIC
