SUMMARY

Hello, my name is Troy Eskew, and I am currently a freshman at Pennsylvania State University. Mechanical Engineering is my intended major with a business minor. I am from Peters Township in the south hills of Pittsburgh.

SKILLS

Engineering Design

- I took an Engineering Design class where I became proficient in the CAD software SolidWorks, graphic drawings, and working in project design teams.

Software

- I'm used to working with various Microsoft Office programs such as Word, Excel, Power Point, and Expression.

Language

- I studied Spanish throughout middle school and high school. Also, I took a trip abroad to Chile my freshman year.

EXPERIENCE

2013

Caddy, South Hills Country Club

- I caddied for a summer at a local country club.

2010-2014

Referee, Peters Township Soccer Association

- I was a certified Grade 8 referee for my local youth soccer club.

EDUCATION

2010-2014

High School Diploma, Peters Township High School

2014-

Current Student, Pennsylvania State University
