**OBJECTIVE:** To obtain a summer internship or co-op in the field of Mechanical Engineering.

**EDUCATION:** The Pennsylvania State University  
BS in Mechanical Engineering  
Minor: N/A  
GPA 0.00/4.00  
University Park, PA  
expected May 2018

### Relevant Courses

Introduction to Engineering Design

**EXPERIENCE:** PIAA                      Exton, PA                      Summer 2013-Present  
*Certified PIAA Basketball Official*  
• Built teamwork and communication skills by cooperating and working with other officials.

Whitford Country Club    Exton, PA                      Summer 2010-Present  
*Caddy*  
• Strengthened my communication skills.

*Tutor*    Fall 2011-2013  
• Privately tutored SAT, geometry, and algebra.

**SKILLS:** Technical Experience:  
• Participated in my high school's "Pumpkin Chuckin" in 2011 and 2012. We worked in teams designing and building catapults to certain specifications. This gave me experience in working in teams and in setting goals.  
• Being an SAT and Math tutor was essential in developing my communication skills.  
Leadership:  
• I held a leading role in my high school's Astronomy Club. I assisted and lead several fundraising efforts including a flower sale during Mother's Day and Christmas. The funds were used to improve the telescope and to set a club trip to the Franklin Institute in Philadelphia.
