Objective To get selected for a summer internship/co-op so I can gain valuable work experience and networking in the engineering field

Education **Mechanical Engineering Major**
The Pennsylvania State University
University Park, PA 16802
Expected Graduation: May 2014

Park Ridge High School
2 Park Ave, Park Ridge NJ 07656
Graduated June 22, 2010
GPA: 92.5, Top 20% of class

Experience **Dick's Sporting Goods** 03/10-5/10
Cashier
Gained experience in good customer service and how to work well under pressure, as well as work with others in a corporate type environment

Engineering Drawing/ Math Tutor 09/09- 07/10
Self- employed
I gained valuable experience in how to work with people one on one, and how to teach something to someone who has no background in a certain field

Skills Solidworks AutoCAD MATLAB HTML Math

Activities **Air Force ROTC** 08/10-Present

- Cadet 4th Class
- Military and leadership training to allow for commissioning in the USAF

National Honor Society 05/09-06/10

- Inducted as a Junior in High School
- Highly respected service organization that was only open to those students in the top 20 percent of the class
- Service Projects included fundraisers for school trips, book drive for local hospital and

JETS (Junior Engineering Technical Society) Team 09/09-06/10

- Engineering Club that competes in a competition held regionally at NJIT.
- Worked with a team of 8 colleagues on different engineering problems to find a solution in a limited amount of time. In 2010 placed 14th in New Jersey
