Address

927 Drexel Avenue, Johnstown, Pennsylvania 15905

Profile

Objective I am seeking a position as a summer intern.
Availability Summer 2011

Key Skills

A few classes in engineering, including exposure to wood shop, sketching, drafting, design, and SolidWorks 2010.

Possess leadership skills. I was captain of high school soccer team. We made it further into the state level competition further than any other team within several years previous. Also was placed in many leadership positions within classrooms, both in High School and in College. I was a large role in the engineering design class groups, designing the construction of cardboard furniture, with many design restrictions. I also had to manage other employees and my place of employment, Numero Uno Pasta and Pizza, Inc.

A highly accomplished, quick learner taking a heavy class load and still managing to succeed. Highly committed to excellence, and very diligent. Comes up with creative solutions to unique problems.

Education

2006-2010- Westmont Hilltop High School, as member of the national honors society.

2010-Present- Pennsylvania State University School of Engineering, Undergrad, with a direction in Mechanical Engineering (undeclared until fifth semester)

Work Experience

Numero Uno Pasta and Pizza, Inc

Dishwasher/Sous-Chef

Part-time Job

September 2009 to Present

✓ Partook in many kitchen activities, including organizing co-workers time schedules.

Activities and Interests

Soccer Played many years in high school and continue to play with friends.
Current Affairs In the past, was thinking of switching majors to political science and running for congress.
Traveling Mexico, Canada, Norway, England, Germany

Languages

English (First Language)
