

HOMEWORK 0

MATH 253A

- (1)
 - (a) What is your major?
 - (b) What is your best guess at the career you will pursue after graduating?
- (2)
 - (a) How (if at all) does getting credit for this course fit with those plans?
 - (b) How (if at all) does the material you expect to learn in this course fit with those plans?
- (3) Do you have any other reasons for taking this course? Is there anything else you hope to gain from it?
