Class Supplies.

- You'll need a copy of the 8th edition of the textbook.
 - Unfortunately, earlier editions have different textbook problems.
- You'll need to purchase Webassign access, which may have come with your textbook or with Cengage Unlimited.
 - See https://www.webassign.net/manual/student_guide/c_s_purchasing_access_ebooks.htm for more information.

Classwork and Homework.

- I'll be teaching this class in a “flipped classroom” framework; see https://en.wikipedia.org/wiki/Flipped_classroom for more information.
- Some activities that you'd traditionally do during class you'll instead be doing outside of class, and vice versa.
- See https://math.hawaii.edu/~yashabk/teaching/2020_2fall/calc3/tasks.html for what tasks you'll need to do in order to get the most value out of the class.

Office Hours.

- Office hours are essentially free tutoring.
- It's a good idea to go to office hours occasionally regardless of how you're doing in the course.
- My office hours are listed on the calendar on the course webpage. I am happy to meet at other times by request.

Exams.

- Exams will be run according to the policies in https://math.hawaii.edu/~yashabk/teaching/2020_2fall/calc3/exampolicies.pdf. There will be
 - three midterm exams on September 25, October 16, and November 6, 9:30am to 10:20am, and
 - a final exam on December 14, 9:45am to 11:45am.
- Depending on the pandemic, exams may be rescheduled, canceled, or replaced with alternative assessments, such as oral exams over Zoom.
- Students requesting accommodations should contact Kokua. <https://hawaii.edu/kokua/access-services/exam-accommodations.php>.
- If there are issues with the grading of the exams, please contact the instructor..

Academic Integrity.

- Your work should be your own.
- In addition to course penalties, we'll submit cases of academic dishonesty to the Office of Judicial Affairs.
- See http://studentaffairs.manoa.hawaii.edu/departments/judicial_affairs.php and http://studentaffairs.manoa.hawaii.edu/policies/conduct_code/ for more information.

Grading.

- I will combine grades with the following weights:
 - 5% WebAssign,
 - 10% Gradescope homework,
 - 45% midterm exams (15% each),
 - 40% final exam.
- These weights may be adjusted if exams are rescheduled or cancelled.
- I will assign grades by taking the unrounded combined grade G and using the following scale:
 - A: $90 \leq G$.
 - A-: $85 \leq G < 90$.
 - B+: $80 \leq G < 85$.
 - B: $75 \leq G < 80$.
 - B-: $70 \leq G < 75$.
 - C+: $65 \leq G < 70$.
 - C: $60 \leq G < 65$.
 - C-: $55 \leq G < 60$.
 - D+: $50 \leq G < 55$.
 - D: $45 \leq G < 50$.
 - D-: $40 \leq G < 45$.
 - F: $G < 40$.
- I reserve the right to adjust these cutoffs in your favor.
