STAT 597C: Teaching Statistics
*Feedback on Practice Teaching I*

Submit to ANGEL before class on 1/29/15.

1) Write a brief paragraph reflecting on your own teaching, and summarizing the pros and cons listed in your comment sheets. What did you do well? What aspects of your teaching can you improve upon?

2) Write a brief paragraph reflecting on the teaching of the class. What did you peers do well, and what aspects of their presentations might you want to use in your own teaching? What did your peers do that was not so good, that you want to avoid in your own teaching?
