Dear Members and Friends,

Welcome all! The 2016-2017 UWC year is underway!

Over the summer, the UWC Board members and Interest Group leaders have been busy planning interesting, educational, and fun programs and activities for the coming year. They have all been working hard to make this a great year for you.

We would, first of all, like to welcome you to the Annual Fall Reception on Tuesday, September 6, 2016 from 6:30 to 8:30 PM in the Ballroom at the Nittany Lion Inn. At the Fall Reception, we will, as usual, have opportunities to learn about and sign up for any of our many Interest Groups. We have over 25 of them! Surely there is one or two that will interest you. And please bring along a friend who might be interested in joining the UWC.

Our annual Fall Trip will take us to the West this year (West of here that is: to Pittsburgh!). Our trip will include stops at the Jimmy Stewart Museum, the Flight 93 Memorial, the Pittsburgh “Strip District”, and the Heinz History Center, plus a Just Ducky amphibious vehicle land and water tour! Imagine all that crammed into one fun and educational day! See details inside and plan to head West on Thursday, September 29.

A special social get-together with Board members is planned for all New Members on September 22. Plans for the annual spring trip to New York, scheduled for April 18-19, 2017, are underway and sign-ups will be taken at the Fall Reception. Be sure to mark your calendars now for the Annual Spring Luncheon and Business Meeting on April 27, 2017. These events, plus a Mid-Winter Event and a Spring New Member event open to all club members, will provide a year full of exciting opportunities to get together with our friends and enrich our lives.

It is now time to renew your annual membership. You can use the membership form enclosed in this newsletter or download a form from the UWC Website; you can either mail the form along with your dues check to our Treasurer, Joanne Bennett, or bring it with you to the Fall Reception. As a reminder, the dues this year are $30. Payment of your dues by October 1 ensures that you will enjoy a full year of UWC programs and benefits, including a listing in the 2016-2017 Club Directory if you wish.

While renewing your membership, please consider making a donation to our endowed scholarship fund. There are several easy ways to include your donation right along with your dues. And, new this year, you can make your scholarship donation online with a credit card; details are provided on the enclosed Membership Application. Your contributions have again allowed us to award scholarships to two very fine and capable women, who will be honored at our Fall Reception. You will be able to meet our scholarship recipients there and find out how we are able to help them achieve their goals through a Penn State education.

Additional information on all recent and upcoming events, including photos and contact information, can be found throughout this Newsletter, on our website at personal.psu.edu/ org/uwc, and on our Facebook page at www.facebook.com/PSUWC. Our Website editor and Facebook “keepers” work hard to keep this information up-to-date and interesting for you. Please check us out!

I am looking forward to a wonderful year working with the enthusiastic and talented women on the Executive Board and to getting to know many more of you throughout the year. It is indeed an honor to serve as your President this year.

With warm regards,

Janice Keay
UWC President, 2016-2017

UWC ENDOWED SCHOLARSHIPS

A portion of UWC membership dues supports the annual award of a Barnes and Noble gift card to a State High graduating senior. You will have an opportunity to meet Guinevere Oliver, this year’s gift card recipient and an aspiring Molecular Biology major, at the Fall Reception.

Our 2015-16 University Women’s Club Endowed Scholarships were awarded to two Penn State employees who also are part-time students. The undergraduate student scholarship recipient is Jessica Marlow. Jessica is a staff assistant in the World Campus and her educational goal is to make a difference for kids. She has completed 36 credits to date. Jessica married on January 30th and has a blended family of one daughter and two sons, ages 5, 7, and 9.

Kristy Santillo, our graduate student scholarship recipient, now manages the College of Nursing Advising Center after having advised Smeal College students. She’s earning a Ph.D. in Workforce Education. Not only is Kristy in college, her older daughter is a Penn State sophomore. Her younger daughter is a Delta Program sophomore. Kristy remarried on April 30.

Both Jessica and Kristy are extremely grateful for these scholarships and can’t thank donors enough for the difference you’ve made in their lives and their family members’ lives. Our donations have grown the scholarship endowment balance to over $75,900. Our current goal is to increase the amount of our scholarships since it has remained stable for years despite the rising cost of being a student.

A special “Shout Out” to these women who have donated to the UWC Scholarship Endowment since the last newsletter: Lori Ebert-Tyworth, Marian Fritzche, Lida Ouwehand, Robin Seymour, Lurene Frantz (in memory of Dotty Pelick), and the Quilting IG trip to Lancaster (organized by Suzanne Kerlin).

Thank you to all UWC members who have supported the UWC Endowed Scholarships!!
Thank you for joining or renewing!
Membership dues support our club.

You can pay your 2016-2017 dues at the Fall Reception. Please use the dues form included in this newsletter or download it from our website. We will also have extras at the Fall Reception. Dues for 2016-2017 are $30. Checks should be be made payable to the UWC. Dues form and check can also be mailed to Treasurer Joanne Bennett, 374 Cogan Circle, State College PA 16801. Please contact Joanne at jmbennett4@comcast.net if you have any questions.

Please note: Interest group fees CANNOT be added onto your dues check. The fees must be paid directly to the individual Interest Groups.

GO WEST LADIES, GO WEST…

Whoa!…not too far west!  We’ll go only as far as Pittsburgh, with a couple stops before!!!  Pittsburgh has repeatedly been named one of the best places in the world to visit. We invite you to come along and find out why! Unfortunately, we can only touch on a few Pittsburgh attractions in one day, but they promise to be memorable!

We’ll begin the day with a visit to the Jimmy Stewart Museum in Indiana, Pa.  Jimmy Stewart — our hometown hero, a well respected actor from many films with a distinguished career from WWII.

Our second stop will be at the Flight 93 Museum in Shanksville/Stoystown, PA.  We’ll join the rest of the country in remembering how this brave group of people saved us from second major disaster on happening in our nation’s capital on September 11, 2001.

From there, we will travel to Pittsburgh’s “Strip District”.  In the early 19th century, the Strip District was home to many mills and factories, as its location along the Allegheny River provided easy transportation of goods and shipping of raw materials.  By the early 20th century, the Strip District became a vibrant network of wholesalers—mostly fresh produce, meat, and poultry dealers. Soon, auction houses rose around the wholesale warehouses. Many restaurants and grocery stores opened to feed hungry shift workers at any hour of the day. By the 1920s, the Strip District was the economic center of Pittsburgh.  In the mid-to-late 20th century, fewer of the Strip's products were being shipped by rail and boat, causing many produce sellers and wholesalers to leave the area for other space with easier access to highways.  Now the area has developed into a historic market district with many ethnic food purveyors, art studios, antique dealers, unique boutiques, and other businesses. After browsing and shopping we will enjoy lunch in the district.

After lunch we will visit the Heinz History Center, the largest history museum in the Commonwealth of Pennsylvania!  It’s named in honor of U.S. Senator H. John Heinz II, who died in a 1991 plane crash, and is also an affiliate of the Smithsonian Institution.  The museum’s six floors include permanent and changing exhibits that tell the story of Western Pennsylvania.

Quack! Quack! Quack!

Our last activity for the day will be interesting and relaxing, as we will be sitting down!!  A Duck Tour!!  Just Ducky Tours is Pittsburgh’s only fully-narrated one-hour land and water adventure! Each excursion begins in historic Station Square before waddling through town and splashing into the river for the ride of your life in an authentic WWII amphibious vehicle.  Along the way, you'll see the sights and sounds of this great city and learn about its important role in history!  For these last two activities, we will divide into two groups, so we can see both sights in shifts with one group beginning at the Heinz History Center and the other beginning with the Duck Tour.

Thursday, September 29, 2016

Leaving Fullington Parking Lot at 7 AM and returning around 7 PM.
Eating choices and costs on your own (list of choices will be provided)
$107.00 ($84 without Duck Tour)
